**Alford Safety Services releases Life•line™ promotional video**

Alford Safety Services, a long time customer of Safe Environment Engineering, released a new promotional video to its customers highlighting the services offered using Life•line™.

You can view the video [here](#). (2.8 MB)

Alford Services is a diversified corporation that is dedicated to providing top quality personnel and services for both onshore and offshore, business and industry, anywhere in the world.

They supply highly qualified inspectors, clerks, training, logistics coordinators, safety techs and safety observers (fire watch, confined space attendants, etc.).

Alford Services supplies personnel and services for short term, long term and permanent situations. Their client list includes all major oil and petrochemical companies worldwide.

This promotional video was provided by [Alford Safety Services](#). More information about the company and services they provide can be found on their website.
